+ \$2.00
Per Dog

\$10.00
Per
Shot

**OFA Cardiac Exams /
Inoculations**

Pot Luck Lunch
(club supplies main dish)

The Health Clinic will be combined with a General Meeting and Officer Elections for 2010. Appointments for CERF exams will start at 11:00. Heart exams, Color/ Doppler / Ultrasound, are also available if we reach the minimum number of dogs, Inoculations will also be available if we have enough dogs to pay the vet to come out to do them. When making your appointment for CERF please include what vaccines you would need. For an appointment, please contact Robin Mata at lovemylabs@roadrunner.com or 661-274-9101 Lunch is pot luck with the club providing a Ham or similar item, so put your culinary skills to use and plan to bring a dish.

More info to come as we confirm the numbers for inoculations / CERF
